Pin the head into the body front. Attach a small red circle of felt for the eye with a French knot. Sew on the beak. Add the decorative stitching on the neck.

Pin the wing into place. Using black floss, tack down the feathered edges of the wing. With six strands of white floss add the decorative stitching to the wing.

Pin the completed body front and body back together and sew together using a blanket stitch with three strands of black floss. Pause to stuff with fiberfill before finishing.

Have fun!
