Position the head on the body front; pin. Add the decorative stitching to create the snout and the ears using two strands of light gray embroidery floss. Cut an oval of black felt for the nose; tack. Create the eyes with two small lazy daisy stitches in black floss. Create the mouth with three small stitches using black floss.

Tack the tail in place. Add the decorative running stitches that define the legs with two strands of light gray embroidery floss.

If you like, on the body back you can add some decorative stitching to define the legs.

Pin the body front and back together and sew the edges together with a blanket stitch using three strands of white embroidery floss, pausing to stuff with fiberfill before completing.

Have Fun!
