Position the pup head on the body front. In black floss, add the decorative stitching to create the face. Using brown floss, add the decorative stitching that defines the paws on the body front. Sew the body front and back together using a blanket stitch using brown floss; lightly stuff before finishing.

Place the otter head on the body front. Create the eyes with French knots. Use three or four strands of floss to get a good large knot. Tack the nose in place and add the decorative stitching for the mouth with black floss. With one strand of brown floss, add the stitches around the eyes.

Position the pup on the otter's body front. Fold the upper paws over the pup; tack by adding four French knots on the tips of each paw. Position the bottom paws; tack with French knots where the "toes" would be. Add the whiskers to the otter with long stitches using one strand of white floss.

Sew the otter body front to the body back with a blanket stitch using two strands of brown floss. Pause before completing to stuff lightly with fiberfill. --
