Sew the face, legs, and tail to the body front with a running stitch around the edges using one strand of white floss. Sew on the mouth and tongue with one strand of black floss. Tack the ears in place and add two brown seed beads for the eyes. You can also cut two small circles of brown felt for the eyes if you like.

Sew the tail to the back side of the pattern. Feel free to add white markings to the dog's back as desired to match your puppy.

Sew the body front and back together with a blanket stitch using two strands of black floss. Pause before finishing to gently stuff with fiberfill.

Have Fun!
