

# Downeast Thunder Farm American Pacific Loon

Copyright 2025 Downeast Thunder Farm

Notes: create two mirror images of the bird for a double-sided ornament.

Position the head and pin. Position the back and pin, and sew a running stitch along the inside edges with one strand of black floss.

- Position the beak and attach it with a running stitch for the mouth using one strand of black floss.
- Position the eye and attach it with a clear seed bead using one strand of red floss.
- Sew the wing outline with a running stitch using one strand of grey floss.
- Sew the decorative black lines on the loon's chest with two strands of black floss.
- Using four strands of white floss, sew the decorative stitches on the throat, head, and body.
- Using two strands of floss that match the felt color, sew the sides with a blanket stitch using floss that matches the felt. When 1.5" from finishing, lightly stuff the body with fiberfill. Finish off.

Have fun! *Juan*
