Sew the decorative stitching on the wing piece. Layer the blue body piece on the top white body piece; pin together. Lay the wing over the body and sew it to the body with a blanket stitch. Place the black neckpiece on and tack into place. Make the eye with a trio of French Knots. Place the top body over the bottom white body and stitch the two parts together with a blanket stitch, pausing to stuff with fiber fill. Using gray thread, sew the beak on the bird.
