Blanket Stitch

Outline Stitch

Tack the face onto the body front. Tack the beak onto the face. Sew the eye on with a satin stitch and add a tiny stitch in white for the highlight.

Place and pin the wing and upper wing on the body. Sew the decorative stitching in white with an outline stitch. Using a blanket stitch, sew the wing onto the body front.

Pin the body front to the body back and sew with a blanket stitch, pausing to stuff the body with fiberfill before completing.
