Pin into place the shoulders. Tack on four glass seed beads for the eye.

Pin the wing into place and add the decorative stitching with three strands of white floss. Using black floss, tack the corners of the shoulders and wing left loose after adding the decorative stitches.

Pin the completed body front and body back together and sew together using a blanket stitch with three strands of black floss. Pause to stuff with fiberfill before finishing.

Pin the beak into place and sew on with a blanket stitch using one strand of black floss.

Have fun!
